

Walk on the Wild Side Trek Sri Lanka 2023 Optional Excursion

We're delighted to offer all participants the chance to take part in an optional trek on our free day in Hikkaduwa (day 9). This is a perfect opportunity to see some more of the amazing scenery and get a glimpse into the lifestyles of the locals, before returning to the UK the following day.

Date: 16th September 2023

Duration: Approx. 3 hours

Price: £35 per person

Departing from our hotel after breakfast, we'll take a short road transfer before jumping on a local traditional fishing catamaran through a mangrove lagoon. We'll stop to explore a small temple, which is over three hundred years old and home to some charming paintings.

We'll continue on another short catamaran ride, which will take us to a local cinnamon plantation. From here we'll embark on a short trek (approx. 7km) through flat terrain, taking in the area's beautiful scenery, passing a small local village as we trek through stunning rice paddies and coconut plantations.

We'll end the trek at a small, local restaurant where we'll enjoy lunch together before transferring back to our hotel.
